

Tools for Healing the Heart that Hurts

2015 PUPPET THERAPY WORKSHOP

CONDUCTED BY DR. JOANNE VIZZINI, PH.D., LCPC, NCC
SUNDAY, MARCH 1, 2015, 1-5 PM
10715 CHARTER DRIVE, SUITE 270, COLUMBIA, MD 21044

I look forward to sharing the gifts of puppets as used as a therapeutic tool.

- *Discover a new way to help youth/adults delve into their innermost feelings*
- *Break down communication barriers in a non-threatening environment*
- *Understand the art of expression through puppetry and humor*
- *Utilize experimental techniques in reaching others' emotions at a deeper level*
- *Discover how the therapeutic use of puppets and Puppet Therapy are appropriate for topics such as grief, bullying, anxiety, addictions, depression & much more*
- *Learn to deal with sensitive topics using humor*
