

Laughter and Learning: Tools for Educators and Therapists

Dr. Joanne Vizzini, Ph.D., LCPC, NCC, www.drjvizzini.com

Friday, November 16, 6-9pm, in Columbia, MD or

Saturday, November 17, 9:30am-12:30 pm via web-conference

- Learn how to use healing stories in the classroom, counseling, or meeting environment
- Discover a new way to help adults to access deep feelings
- Learn to deal with sensitive topics using humor
- Gain insight on how to engage, even with resistance, via experiential techniques
- Discover how the therapeutic use of puppets and Puppet Therapy are appropriate for topics such as grief, bullying, anxiety, addictions, depression & much more!
- Prior attendees will receive advanced and specified training, as well as skill building.

Dr. Joanne F. Vizzini, PhD, LCPC, NCC is a former elementary school teacher, teaches/supervises at Loyola University & created the Vizzini Puppet Therapy Model© 2001. Her private practice serves youth, adults, and families. Her belief is that healing happens more quickly when creativity is accessed. Her successful workshops have been offered at APA and ACA conferences.
